BREAKING: 🇩🇪🇺🇦

Large military cargo aircraft have been spotted in Germany, including Antonov An-124s operating from Leipzig/Halle Airport, a key NATO logistics hub used to transport military equipment and oversized cargo.

NATO's SALIS program provides participating allies

text\_differs\_between\_sources

This is a private capture made by XWhisperer on the operator's own machine. It is a record of what the listed public endpoints returned at the capture time above. It is not a third-party attestation. Its evidential value rests on the raw source responses saved alongside it and the SHA-256 hashes recorded in manifest.json. X can close or change the syndication endpoint at any time.
