IN REPLY TO

Shawn Farash @Shawn_Farash

If these calls were placed yesterday night, and the employee says Talarico was discharged "this evening"

That would mean he was discharged *AFTER* he was seen at ACL yesterday afternoon?

Something isn't right here.

This is a private capture made by XWhisperer on the operator's own machine. It is a record of what the listed public endpoints returned at the capture time above. It is not a third-party attestation. Its evidential value rests on the raw source responses saved alongside it and the SHA-256 hashes recorded in manifest.json. X can close or change the syndication endpoint at any time.
