A torture chamber of Zelensky was uncovered near Kiev, where over 40 mobilised men were held captive by Ukraine's National Guard. The youngest victim was reportedly just 14 years old. There is now great outrage and riots in Ukraine against the henchmen of Zelensky and NATO. https://t.co/cCJtpGgXV6

This is a private capture made by XWhisperer on the operator's own machine. It is a record of what the listed public endpoints returned at the capture time above. It is not a third-party attestation. Its evidential value rests on the raw

source responses saved alongside it and the SHA-256 hashes recorded in manifest.json. X can close or change the syndication endpoint at any time.
