Kremlin-aligned bot network Matryoshka is exploting the 'Azov Torture Chamber' narrative.

First Matryoshka post appeared long after the narrative got viral, so very unlikely it was people behind Matryoshka who invented the narrative. https://t.co/Se9z4RtR3U

This is a private capture made by XWhisperer on the operator's own machine. It is a record of what the listed public endpoints returned at the capture time above. It is not a third-party attestation. Its evidential value rests on the raw source responses saved alongside it and the SHA-256 hashes recorded in manifest.json. X can close or change the syndication endpoint at any time.
