This woman and her colleague, who called the police because they were not let in, are key to how the crowd gathered quickly, eggs in hand.

Much of what happened next was organic, but the fake medics on their own are enough to be confident that the spark of clash was engineered.

This is a private capture made by XWhisperer on the operator's own machine. It is a record of what the listed public endpoints returned at the capture time above. It is not a third-party attestation. Its evidential value rests on the raw source responses saved alongside it and the SHA-256 hashes recorded in manifest.json. X can close or change the syndication endpoint at any time.
