Lord Bebo verified
@MyLordBebo

🇵🇱 People speculate on his ties to the Forward Observation Group - Foreign legion.

We'll see, certainly possible ... maybe he is just a fan. https://t.co/1DNr8T9Ash

QUOTED POST

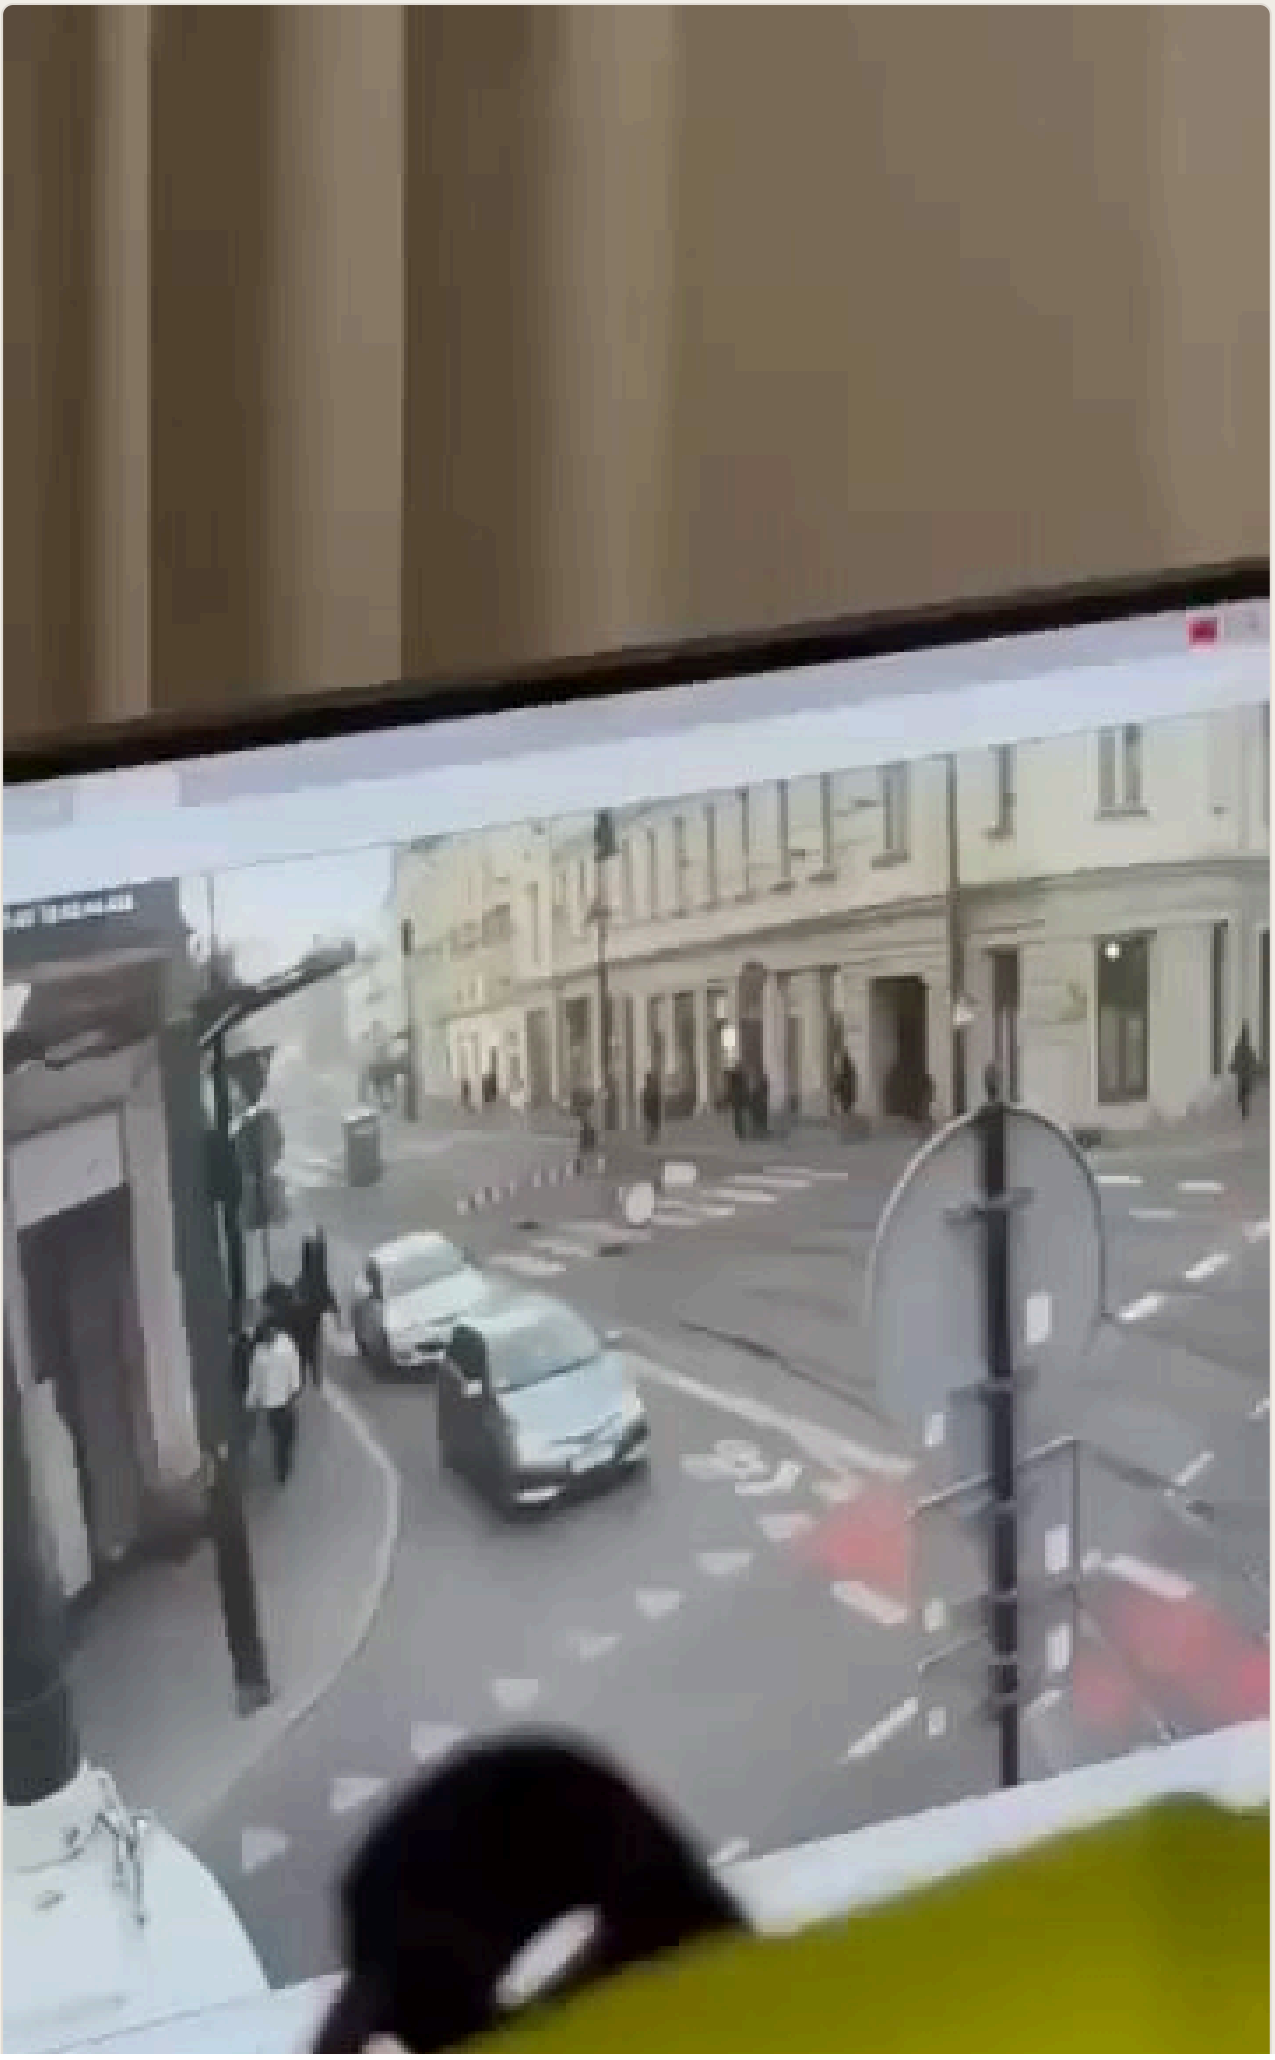

Lord Bebo @MyLordBebo

🇵🇱 The cops chased the terrorist and took him out.

He was able to hit both cops, before being neutralized.

Crazy scene. Cops are heroes.

Wonder what they could have done better to stop him in this hectic situation?

This is a private capture made by XWhisperer on the operator's own machine. It is a record of what the listed public endpoints returned at the capture time above. It is not a third-party attestation. Its evidential value rests on the raw source responses saved alongside it and the SHA-256 hashes recorded in manifest.json. X can close or change the syndication endpoint at any time.
